

West Hills Caravan No. 25

of Syria Shriners

West Hills Caravan No. 25 was founded in 1983. The Caravan is a voluntary unincorporated association formed for social purposes, the promotion of good fellowship among Shriners, and for furthering of the interests of our fraternity in the geographical area we serve. The Caravan is composed of active and honorary members. Our purpose is to promote, maintain, and perpetuate the high ideals and traditions of Shriners International. Caravan No. 25 is organized around social activities, fellowship, and philanthropy of its members. Our Caravan makes annual contributions to the Shriners Hospital for Children in Erie, or the Syria Shrine Transportation Fund, and the Pittsburgh Shrine Center.

This sounds like a lot of formal words, but basically, it explains the reason for Caravan No. 25's existence. What we're all here for is to have fun while supporting the Shriners Hospital, the Transportation Fund, and the Pittsburgh Shrine Center. We do this by raising funds and sharing in the enjoyment of all the kids we help. We are changing the world caring for kids. That's why we're here. That's why we're Shriners. So, if you take some time to think about it, you will find that belonging to West Hills Caravan No. 25 will make you proud of yourself and the vital work you're doing.

Join us! Your first year of membership is free, then only \$8.00 per year! You won't regret it!
